INNOVATIONS FOR THE FUTURE

www.medicalfair-thailand.com

This instructional guide aims to help you prepare the materials necessary for uploading onto your virtual booth in the Digital Edition platform.

Please note the following:

- There are 2 profiles to be updated:
 1. Personal Profile (this is information relating to you as a person / representative of the virtual booth)
 2. Company Profile (this is information relating to your company)
- The company profile allows for 1 main video while in the Product section, you may upload product image or videos. All video uploads are using iframe embed link, hence the video must first be uploaded on YouTube.
